Department Notes	
General	<ol style="list-style-type: none">1. Pretty good crowd, considering this is a Halloween night performance! They LOVED C. Flanagan.2. During intermission a 92 year old woman slipped on the steps out of the theatre into the lobby. EMS and Fire Department showed up and took her out of the theatre. House Management did a good job handling the situation. B. Wycoff will fill out an accident report with information she has.3. Trash Can backstage near sound smelt like a “burning cigarette.” It was taken outside and discarded in the dumpster out by the shop by H. Avari.

Direction	1. None for today, thank you!
Scenic	1. Thank you TD Team for taking a look at the court table and shower today!
Props	1. The lime cocktail's plastic lime broke off before the top of the show. Only the plastic came off, and the rest of it is still intact. The cup is fine for the next two shows without it. Thank you!
Costumes	1. None for today, thank you!
Sound	1. Had trouble hearing certain characters tonight. Especially during numbers with Delta Nus, Warner, and "Bend and Snap." Spoke to N. Heiser, and he is going to work on it before run tomorrow. 2. There was a lot of feedback during the Champagne Party.
Lighting	1. None for today, thank you!
